

## Two Color Newborn Socks

*Dawn's Dream Designs*  
unique knitting designs  
by Dawn Adcock 

These baby socks are knit in fine gauge yarn, and are sized to fit even the chubbiest feet without binding. The two alternating color seed stitch rows provide a cute chain around the ankle, or simply work the leg plain if you wish. One each of two pairs of mirror-image sets shown to give idea of how dark and light versions look.
